May 1, 2019

Northern Border Regional Commission
James Cleveland Federal Building, Suite 1201
53 Pleasant Street
Concord, NH 03301

Dear Commission,

I am pleased to provide this letter in support of the funding request of the North Conway Public Library, located in the heart of North Conway Village, New Hampshire. The library maintains a well-earned reputation as a community hub and welcoming environment for all and a successful outcome to their request will better equip the library to meet the current and future needs of an evolving community.

Libraries are vital community connections; connecting people to people, information, education, jobs, technology, history, and more.

Their plans for expansion are exciting! Bright, new, dedicated spaces for teens and children will stimulate curiosity and nurture appreciation for reading and learning, additional media and resources will inform and inspire, educational programming will seek to enrich, ADA compliance will give comfortable access to those with mobility issues, and increased technology will allow for easy navigation of research, employment opportunities, history, genealogy, and more.

Libraries and more than just books and the North Conway Public Library is a superior example of this. Residents and visitors to the Mt. Washington Valley will benefit tremendously from any funding received.

I wholeheartedly support their request for funding from the Northern Border Regional Commission.

Sincerely,

A handwritten signature in black ink that reads "Michael J. Cryans".

Michael J. Cryans
Executive Councilor
